

2115 : Guillotine Pipe Cutter

The + product :

Practical: Fast opening.

Heavy-duty: Quadruple ground stainless steel blade.

Blade holder: Holds the blade perpendicular to the pipe centerline.

Description

Max thickness: 18 mm.

Material cut: PEHD.

Square drive 14 mm (models 1 and 2) or 17 mm (model 3) across flats.

A wrench or extension can be used for cutting pipes in deep trenches.

Releasing the catch on the hinged lower V-shaped jaw allows the cutter to be positioned anywhere along the pipe.

Stainless steel blade.
